

## **Wissenschaftliche Vorträge Prof. Dr. Edinger**

### **2019**

ESH International Conference Immune and Cellular Therapies, "Treg cell therapy in allogeneic stem cell transplantation"

British Society for Immunology, "Treg therapies in bone marrow transplantation", Birmingham, 11.7.2019

FNRS-Immunology Doctoral School, "Regulatory T cells in allogeneic stem cell transplantation: from basic models to clinical trials", Lüttich, 21.5.2019

### **2018**

Annual Advancing Immunomodulation Meeting, "The pathophysiology of graft vs Host Disease (GvHD): Main alterations in the immune cell subsets", Rom, 14.12.2018

2nd Viennese T-Cell Colloquium, „Regulatory T cells in allogeneic stem cell transplantation“, Wien 5.10.2018

DGHO Jahrestagung 2018, „Tregs und andere Zelltherapien / Tregs and other cellular therapies“, Wien, 1.10.2018

Miltenyi Biotec GmbH, "Anwendungen von regulatorischen T-Zellen zur Therapie der GvHD", Bergisch Gladbach, 26.03.2018

14th International Symposium GvH/GvL 2018, Update on Tregs in HSCT, Regensburg, 09.03.2018

### **2017**

MHH Hannover Medical School; International Symposium "Cellular and molecular mechanisms and new therapeutic concepts in transplantation",

Donor Treg therapy in acute GvHD, Hannover, 30.11.2017

Falk Foundation Freiburg; Workshop on Oral, Gastrointestinal and Pulmonary GvHD, Immunoregulation in SCT, Regensburg, 17.11.2017

DGHO Jahrestagung 2017, "Therapie der akuten Graft-versus-Host-Erkrankung mit in vitro expandierten regulatorischen T-Zellen", Stuttgart, 02.10.2017

DAG-KBT Fortbildungsveranstaltung "Zelluläre Therapien", "Regulatorische T-Zellen (Treg) zur GvHD Prevention und Behandlung", Berlin, 05.05.2017

EBMT; International Applied Biology in Chronic GvHD, GvHD Working Group Meeting, QC and validation of flow cytometric assays, Marseille, 25.03.2017

## **2016**

13th International Symposium GvH/GvL 2016, Regulatory T cells in acute GVHD, Regensburg, 16.03.2016

Instituto Medicina Molecular, Lissabon, Production of Treg infusion products, Regensburg, 15.03.2016

## **2015**

3rd International Congress on Controversies in Stem Cell Cellular Therapies (COSTEM), Is the hype of Treg cell justified? Berlin, 25.10.2015

ECI 2015; 4th European Congress of Immunology Vienna 2015, DN human Tregs and transplantation, Wien 09.09.2015

CellGenix Freiburg, Expert Symposium on Cellular Therapy, Freiburg, 30.06.2015

Instituto Medicina Molecular, Lissabon; TREGeneration General Assembly, Treatment of GvHD with Donor Regulatory T Cells, Lissabon, 26.02.2015
